This awesome home has 5 bedrooms with 3 on the main level. The home has a jack and jill bathroom which makes for great flow between the rooms. The master has access to the bathroom and a sliding glass door out to the deck. The backyard is fenced with a swing set. Additionally, this property has a well for that luscious green grass without the water bill and a underground sprinkler system.

The kitchen has been updated with cabinets and countertops. There is an area for a 6-8 chair dining table as well as a breakfast bar. The downstairs has a large living room with a wood fireplace to warm up those chilly nights. Also downstairs is a full bathroom that is very spacious.

This home is near a Billings westend park (Gorham Park) and close to shopping and restaurants. No need to worry about the roof because it has a new roof, gutters and siding (2016). Schools: Miles Ave, Will and Clark and West High

Come take a look at this home to make it your own! Seller is giving a \$2,000 credit for carpet allowance. This home is solid! Call your agent today or Serena if you have more questions or would like a showing.
